**JULIE BUDD** has been hailed as one of the most exciting singers today. With her legendary producer/arranger, Herb Bernstein, Julie has co-starred with the greats of entertainment; including Bob Hope, Jimmy Durante, Frank Sinatra and Liberace, to name a few. Whether she is performing one of her six different themed productions or touring with major Symphonies around the world, from Carnegie Hall to the London Palladium, Julie Budd has the critics raving.

**“A voice that is nothing short of  
thrilling.”**

THE NEW YORK TIMES

**“Pure Pleasure.”**
