

The harmonic convergence that CHICK COREA, STANLEY CLARKE and LENNY WHITE felt in their previous collaborations has led to the formation of the jazz supergroup, COREA, CLARKE & WHITE. With the ever-expanding Corea oeuvre at their fingertips and the incredible improvisational skill and musicianship of all three jazz legends, this trio soars through acoustic bliss, funky jazzitude, mind-expanding classical and all worlds in between. COREA, CLARKE & WHITE are musical masters sending audiences on sonic explorations of wondrous proportions.

"...the music seemed timeless...[in fact] one of the more rousing tunes, "The Romantic Warrior," was performed on acoustic instruments."

**BOSTON GLOBE**

"Left in the wake were 2000 or so fans dazzled by the intense musical synchronicity."

**BILLBOARD**

"...keyboard superstar Chick Corea and bass guitar ace Clarke are ageless wonders of virtuosic technique and seemingly inexhaustible ideas. I have never heard either of them give a disappointing performance."
