JON ANDERSON THE VOICE OF YES

"The mega bands of the late 70's had become somewhat distanced from their fans, it is great to see seasoned performers like Jon Anderson move back to simpler roots."

BLOGSPOT

"Yes, Jon still is the voice...Anderson's voice remains exquisite, never more so than on Find My Way Home, Wondrous Stories and the sublime 'Soon' excerpt from The Gates Of Delirium."

EXPRESS & STAR

"Even those who may not have been fans of the band, or who tired of the excesses of progressive rock, can't help but appreciate the sincerity and elegance of his performance."

LEAP IN THE DARK

Best known as the lead singer/songwriter of the legendary supergroup, Yes, JON ANDERSON is also an accomplished solo artist and composer. Jon's solo show includes many classic songs from all across the Yes songbook & his own eclectic solo work.
