**Dave Brubeck Quartet and Ramsey Lewis
Trio together--the two legends of piano jazz
exclusively through TKA.**

RAMSEY LEWIS first captivated fans with his Gentlemen of Swing and Ramsey Lewis Trio. By 1965, he was one of the nation's most successful popular jazz pianists, topping charts with **THE IN CROWD**, **HANG ON SLOOPY** and **WADE IN THE WATER**. Like Brubeck, Ramsey's classical training has often informed his jazz. His latest Trio has 3-time Grammy winner Ramsey still going strong.

The distinctive harmonic approach and daring improvisations of **DAVE BRUBECK** have generated excitement with both critics and fans since his very first album. It was the sound of Brubeck's Quartet that defined what became known as West Coast Cool and led jazz into the jet-set Sixties. His tracks **TAKE FIVE** and **BLUE RONDO A LA TURK** became the first modern jazz singles to "go gold" and Brubeck has been wowing audiences ever since.
