Simone

SIMONE is her own woman, a singer, songwriter and performer whose ability to transcend genres echoes the tradition of her mother, musical icon and pioneer Nina Simone. Blessed with a rich vocal range, an innate skill for lyrical interpretation and a soul-deep understanding of music as a means of healing, empowerment and celebration, Simone is very much her mother's daughter, she is most assuredly a multi-talented artist in her own right.

A highly-praised live performer whose impressive resume includes starring roles on Broadway in such acclaimed musicals as Rent and Aida, Simone has developed an exciting and diverse repertoire of pop, soul, jazz, rock and funk, expressed in shows she's done throughout the U.S. and in the UK, Ireland, Holland, Finland, Spain and France. Her release of Simone On Simone (a big band tribute to her mother), had music lovers worldwide discovering the vocal dynamism that live audiences have witnessed for over a decade.
