## I PUT A SPELL ON YOU

“One of the most exciting new singers I’ve heard in some time is Simone...[her album] is earthy and gutsy, but it’s also unmistakably a daughter’s message to her late mother.” [JAZZWAX](#)

Produced by the Nina Simone Estate, this is the only official Nina Simone tribute concert. Who better than Nina Simone’s daughter, SIMONE, to bring the incredible breadth and bittersweet truth of Nina’s enduring musical legacy to the concert stage? With Nina’s longtime music director, Al Schackman on guitar and vibes, the program features all of Nina’s classics including, “I Loves You Porgy,” “Young, Gifted, And Black,” “Feeling Good,” and the soul-stirring title song.

“She was flirtatious, vibrant and jovial and shimmied around the stage as she performed the popular hit ‘Feeling Good.’ The audience were with her every step of the way clapping and singing along.” [PERTH NOW \[AUSTRALIA\]](#)
